

SAVVY MINERALS
by YOUNG LIVING™

PRODUCT SUMMARY

Fuller, more elegant lashes are yours with Savvy Minerals by Young Living™ Mascara. The buildable formula will make it through even the longest days without smudging or running, which means no racoon eyes when you hit the PTA meeting after working all day.

Savvy Minerals Mascara is infused with Lavender essential oil, which helps define the appearance of your lashes while conditioning and nourishing them. Formulated with naturally derived ingredients, this rich mascara provides the quality without compromise that you expect from Young Living. Your lashes get a naturally defined look from a product that has been clinically tested for gentleness.

KEY INGREDIENTS

Hydrolyzed jojoba esters, Lavender essential oil, Coconut fruit extract

EXPERIENCE

Savvy Minerals Mascara glides on smoothly for simple application every time. Infused with Lavender essential oil, this formulation conditions and nourishes the lashes while adding length and drama to your look.

PRODUCT BACKGROUND

Like all Savvy Minerals by Young Living cosmetics, our mascara was formulated with quality and purity in mind, so those who use it can be confident without compromise and empowered in their own unique, natural beauty. Our use of naturally derived ingredients makes Savvy Minerals one of the most natural cosmetic lines on the market. We use only the most pure, authentic ingredients available.

Savvy Minerals by Young Living goes through rigorous testing to maintain our Seed to Seal® quality standard, including clinically testing our mascara for ocular irritation but never testing on animals.

SAVVY MINERALS MASCARA

DIRECTIONS

1. Wipe excess mascara from the wand on the lip of the tube.
2. Look up to lift your lashes.
3. Place the wand against the base of your lashes and wiggle the wand back and forth.
4. Sweep the wand from the roots to the tips of your lashes, continuing to wiggle the wand back and forth.
5. Repeat for a second coat, if desired.
